

Mission, Goal and Objectives
Intergovernmental Communication & Cooperation Committee

The Intergovernmental Communication & Cooperation Committee (ICC) is a group of citizens and officials from Township, County and local Municipalities in Benzie County. The ICC believes that effective communication and cooperation between governments lead to balanced decisions that earn the confidence and trust of Constituents. We are committed to forwarding the primary goal identified at the 2007 Summit for Intergovernmental Communication & Cooperation:

Improved communication between local governments and the County and between local and county governments and their Constituents.

The objectives of the ICC Committee are as follows:

Host a 2009 Summit for Intergovernmental Communication & Cooperation

Establish and promote the adoption of a set of guidelines or agreements for Intergovernmental Communication & Cooperation that were derived from the input of stakeholders.

Promote and publicize progress toward the primary goal identified at the 2007 Summit.

Provide a forum for addressing ICC issues
