Proposal to Levy Road Millage

This proposal will permit Crystal Lake Township to levy up to 1.0 mill for the purpose of providing funds for improvements, repair and maintenance on asphalt roads within the Township.

Shall the tax limitation imposed under Article IX, Sec. 6 of the Michigan Constitution in Crystal Lake Township, be increased to permit the Township to levy up to 1.0 mill (\$1.00 per \$1,000 of taxable value) for the limited purpose of providing funds for improvements, repair and maintenance on asphalt roads within the Township, and shall the Township be authorized to levy such millage for these purposes for a 5-year period from 2015 through 2019? If this millage is approved and levied in its entirety, this millage would raise an estimated \$158,087 in the first year the millage is levied.
